

**Commander Wes Benge**

Our April 12th meeting will have as our guest, the Sons of the American Legion District Commander. He will give a speech on our new charter and the workings of it. Hope to see you SAL members there. Also on April 24th we will be having a visit from the State Commander in the morning around eight-thirty am. So if you have any questions to ask him, now is the time to do it. A week later on the 28th, Muskogee Post 15 will be hosting the district meeting with nominations of offices starting. If you want to vote, then be there at 9 am

Our American Legion baseball team will be starting try-outs in May for 15 year olds thru 19 year olds. This year I need for you to come out and help me at the concession stand for a couple of hours during the home games. I was by myself last year and sure could have used some help. It is also good to see the legion out there wearing the emblem and promoting and volunteering. We will be picking twelve boys out of over twenty that have applied for Boys State, at our May 10th meeting. They will tell us why we should pick them to go. Hope to see more of you volunteering at your Post.

We have a service officer out at the post every Tuesday at noon till about three, or when they decide to go home. If you have any trouble with VA problems, stop in to see them. They don't work for us, but for the VA. So they should be able to help you. By having a new web site, I can get to you more news on a timely matter and serve your needs as they arise. Click on the web site and use it for communication purposes. *Commander Wes.*
